NORTHEAST CHRISTIAN ACADEMY

Our Preschool Program

At Northeast Christian Academy we believe in developing the whole child – socially, physically, emotionally, intellectually and spiritually. Our vision is to educate students through Biblical values, character building, play as well as academic experience. Our small class sizes allow the teacher to spend time with individual students – to give them the attention and instruction they need. We will be offering preschool for 3 and 4 year olds.

*Our goal is for
school and home
to work as a team
to model and instill
positive values.*

Our Mission

To assist parents by providing a quality, Bible-based education in a Christian environment. This is accomplished by nurturing each child to grow spiritually, academically, socially, emotionally and physically, with an emphasis on Christian values and character development.

Vision: to see young people raised up to be Godly leaders in society

PRESCHOOL PRAYER

Dear Jesus,

Please show me how
to spend this day

Sharing your LOVE in
every way

To play and laugh and
have lots of fun

Shining your light and
giving your grace

Sharing your JOY with
a smile on my face!

Student Goals

Throughout your child's year in Preschool, you can expect to see the following things happen:

- Your child will work independently and take initiative.
- Your child will learn that school is a safe, pleasant and fun place to be.
- Your child will increase in his/her understanding of the world around them.
- Your child will increase in his/her ability to communicate.
- Your child will learn to think of others and respect those around him/her.
- Your child will realize that we are all created equal – despite our colour or background.

Why Choose NCA Preschool?

- ✓ Development of responsibility and leadership qualities from an early age
- ✓ Christian emphasis
- ✓ Recess
- ✓ Caring staff who focus on student's success, well-being, and personal growth
- ✓ Our program runs alongside the school year, from September to June

Creating an environment where students become excited about learning!

Preparing Your Child:

1. Read, read, and then read some more! The more books your child is exposed to, the better.
2. Whenever you read a new book together for the first time, ask your child to predict what they think will happen next.
3. After you read together, ask your son or daughter, different questions about the characters, setting or plot. Comprehension is a key component to learning to read.
4. Letters are all around us. Point out different letters everywhere you go – signs, cereal boxes, mail, etc.
5. Play “Go Fish” with alphabet cards. This is a great way to practice identifying letters.
6. Practice writing their name and that of other family members. Tracing, copying, or even creating the letters from objects are great ways to do this.
7. Count, count and then count some more!
8. Practice printing and copying different numbers. Get creative!

Children learn through play. Provide as many opportunities as possible for creative play. Talk to them about what they are playing. Role-play and help them to foster their imagination!

A Preschooler Should Know:

Key things your child should endeavour to learn:

- Their first and last name
- Their parents' first and last name
- How to clean up their toys when they have finished playing
- Perform simple household tasks. For example, cleaning up toys
- How to go to the bathroom, flush the toilet, and wash their hands independently
- Draw a picture and then tell a story about it. (Even if it just looks like scribbles to you)
- Sit and listen while someone reads them a story
- Play nicely with other children and be able to

Proverbs 22:6 "Train up a child in the way they should go, when they are older, they will not turn from it."

Commit your actions to the Lord, and your plans will succeed.
