NORTHEAST CHRISTIAN ACADEMY

Our Junior High Program

Northeast Christian Academy (NCA) is interested in meeting the needs and desires of God's heart for all of its students, including those entering into Grades 7 to 9. Our Junior High class will consist of educating students through Biblical values, character building and academic excellence. As with our other grade levels, the Junior High class at NCA will have Christian content added to enhance the Saskatchewan Education Curriculum.

Support

Our students will benefit from the comfortable, loving, Christ-Centered environment that we offer. Their learning will be supported by certified teachers; caring E.A.'s and support staff. It is our vision to help students develop in all areas: mental, physical, spiritual and emotional and to be supportive of their families. Junior High students at NCA will benefit from small class sizes giving the ability for the teachers and E.A.'s to spend time with each student. This positive school experience will allow for the educational needs of the students to be met.

Home and School Together

We are here to support families in their Christian beliefs, but also in the education of their children. We are here to compliment the home – we are here to support the home, not replace the home. We are here to give students their formal education, as well as discipling them and guiding students to spiritual maturity.

Leadership

The Junior High class will be called upon as leaders in the school community and be encouraged to step forward in these areas:

- ✓ Reading Buddies
- ✓ Spirit Day Leaders
- ✓ Student Representative Council (SRC)
- ✓ Library Partners
- ✓ Sporting Event Leaders

Northeast Christian Academy will support our students in the development of their independent learning.

Our students will be coached in:

- Goal Setting
- Time Management
- Accountability for Work Quality (both process and product)

Investing in character and leadership development

*I Command You
Be Strong & Courageous!
Do not be Afraid or Discouraged
For the Lord your God is with you
Wherever you Go -Joshua 1:9*

Junior High Student Commitment

It is understood that a Junior High Student at Northeast Christian Academy is committed to the development of their Christian faith, as well as their learning within education and in their life.

The Junior High Student will be encouraged to ask for help or support when necessary; but will be challenged to grow in their independence and in their faith.
