NORTHEAST CHRISTIAN ACADEMY

Our Elementary Program

At Northeast Christian Academy we believe in developing the whole child – socially, physically, emotionally, intellectually and spiritually. Our vision is to educate students through Biblical values, character building, and academic excellence. Our small class sizes allow the teacher to spend time with individual students – giving them the attention and instruction they need to have a positive school experience.

Our goal is for school and home to work as a team to model and instill positive values.

Serving God and Our Community

Creating a Family Atmosphere

We endeavor to create an environment where every student feels like they are a part of the NCA community. Some of the things we do to foster this atmosphere are:

- Cross-grade Reading Buddies/Library Partners
- Group Events- Sledding, Skating and Field Trips
- Whole-School Events – Spirit Days, School Lunch Together, Chapels, Dance and Drama Teams, Art Displays.
- Family Events - Pancake/ Literacy Morning, Math and Muffins – an exciting Math Morning, Science Fair, Open House BBQ, Fundraisers, Operation Christmas Child Box Packing.

Home and School Together

We are here to support families in their Christian beliefs, but also in the education of their children. We are here to compliment the home – we are here to support the home, not replace the home. We are here to give students their formal education, as well as discipling them and guiding students to spiritual maturity.

Our Vision

Our vision is to see young people raised up to be godly leaders in society, who lead with strong love and faith in our Lord Jesus Christ.

Spiritual Growth

We desire students to have a strong biblical foundation. We want them to grow in their personal relationship, with God, through Jesus Christ. We want them to discover their giftings, and strengths.

- Chapel
- Bible Studies
- Scripture Memorization
- Student Involved Worship
